

KORE.AI COMPETITIVE INTELLIGENCE

Competitive Signal Report

Topic: Enterprise agentic AI & contact-center AI (CCAI) · Window: last 72h · Wednesday, 24 June 2026 · 22:25 IST
Prepared by Kore.ai Competitive Intelligence

Bottom line: Five9's launch of Voice AI Agents and Cresta's showcase of AI customer experience capabilities at CCW Las Vegas highlight the growing importance of agentic AI in contact centers, but also present opportunities for Kore.ai to undercut competitors with its deterministic and cost-effective solutions.

WHAT MATTERS THIS RUN

Three signals that matter

Five9's Voice AI Agent Launch

WHAT HAPPENED
(2026-06-23) Five9 launched its Voice AI Agents to replace contact center IVR, aiming to enhance customer experience with AI-powered interactions — [CMSWire](#). [WHAT IT MEANS FOR KORE.AI](#)
This launch underscores the need for deterministic and cost-effective solutions in contact centers, where Kore.ai's ABL and per-outcome pricing can provide a competitive edge over Five9's seat-based model.

Cresta's AI Customer Experience Showcase

WHAT HAPPENED
(2026-06-24) Cresta showcased its AI customer experience capabilities at CCW Las Vegas, highlighting the potential of agentic AI in enhancing customer experience — [TipRanks](#). [WHAT IT MEANS FOR KORE.AI](#)
Cresta's focus on AI customer experience presents an opportunity for Kore.ai to emphasize its own strengths in providing a comprehensive and governed agentic AI platform for enterprise contact centers.

Glean's Partnership with TinyFish

WHAT HAPPENED
(2026-06-24) Glean partnered with TinyFish to enable AI agents to act on live web data within secure enterprise contexts, expanding its capabilities in enterprise AI — [Pluang](#). [WHAT IT MEANS FOR KORE.AI](#)
Glean's partnership with TinyFish highlights the growing importance of integrating AI agents with live web data, an area where Kore.ai's ABL and omnichannel capabilities can provide a competitive advantage.

AT A GLANCE

Signal priority table

Competitor	Move (dated)	Threat	Kore.ai counter
Five9	(2026-06-23) Launched Voice AI Agents	High	Determinism + cost-per-outcome vs. seat model

Cresta	(2026-06-24) Showcased AI customer experience capabilities	Med	Comprehensive and governed agentic AI platform
Glean	(2026-06-24) Partnered with TinyFish for live web data integration	Low	ABL and omnichannel capabilities for secure enterprise contexts

ON THE RADAR

Watch for

- Further developments in Five9's Voice AI Agents and their impact on the contact center market
- Cresta's expansion of its AI customer experience capabilities and potential partnerships
- Glean's continued integration of AI agents with live web data and its implications for enterprise AI

SO WHAT — DO THIS NOW

Recommended actions

- Emphasize Kore.ai's deterministic and cost-effective solutions in contact centers
- Highlight the comprehensive and governed nature of Kore.ai's agentic AI platform
- Explore opportunities for integrating Kore.ai's ABL with live web data for secure enterprise contexts
