

KORE.AI COMPETITIVE INTELLIGENCE

Competitive Signal Report

Topic: Enterprise agentic AI & contact-center AI (CCAI) · Window: last 72h · Wednesday, 26 August 2026 · 21:30 IST
Prepared by Kore.ai Competitive Intelligence

Bottom line: Competitors are pushing agentic AI capabilities, but gaps in enterprise readiness, cost predictability, and independent validation persist. Kore.ai's ABL and proven analyst leadership remain key differentiators against both incumbents and emerging players.

NICE (Cognigy) Doubles Down on Enterprise Voice with Route 101 Win

WHAT HAPPENED
HM Land Registry selects Route 101 for AI-enabled contact centre solutions. (2026-08-26) [THINK Digital Partners](#) **WHAT IT MEANS FOR KORE.AI**
This reinforces NICE's position in enterprise voice, but Kore.ai's true omnichannel offering and ABL's compile-time validation provide a more robust and predictable solution for complex CX needs.

Five9 Recognized as IDC MarketScape Leader Amidst Seat-Model Pressures

WHAT HAPPENED
Five9 was named a Leader in the 2026 IDC MarketScape for Worldwide Agentic Contact Center-as-a-Service Platforms. (2026-08-26) [Business Wire](#) **WHAT IT MEANS FOR KORE.AI**
Kore.ai's outcome-based pricing and ABL's ability to drive high containment rates offer a more scalable and cost-predictable alternative to Five9's seat-centric approach, especially as AI adoption increases.

Glean Targets Enterprise AI Costs and Sprawl with New Workspace

WHAT HAPPENED
Glean unveils Tau desktop workspace, claims token-cost edge over Claude. (2026-08-26) [SiliconANGLE](#) **WHAT IT MEANS FOR KORE.AI**
While Glean focuses on internal knowledge management, Kore.ai's agentic platform offers a more comprehensive, customer-facing solution with proven ROI and robust governance, directly addressing CX automation needs rather than internal productivity.

AT A GLANCE

Signal priority table

Competitor	Move (dated)	Threat	Kore.ai counter
Five9	(2026-08-26) Named a Leader in the 2026 IDC MarketScape: Worldwide Agentic Contact Center-as-a-Service Platforms - Business Wire	High	Proven omnichannel leadership and ABL's cost-predictable, high-containment model.

NICE (Cognigy)	(2026-08-26) HM Land Registry selects Route 101 for AI-enabled contact centre - THINK Digital Partners	Med	Kore.ai's true omnichannel and ABL's compile-time validation for enterprise reliability.
Glean	(2026-08-26) Glean unveils Tau desktop workspace, claims token-cost edge over Claude - SiliconANGLE	Low	Kore.ai's direct CX automation focus and proven enterprise-grade governance.
Agentforce (Salesforce)	(2026-08-26) TTEC Digital Lands First Agentforce Contact Center Go-Live - CX Today	Low	Kore.ai's established leadership in conversational AI for CX, validated by analysts, versus Agentforce's CRM-centric approach and pricing uncertainty.

ON THE RADAR

Watch for

- Continued integration and customer adoption of Salesforce's Agentforce in contact center scenarios.
- ServiceNow's progress in unifying its agentic AI offerings under the "Otto" umbrella and its impact on CX.
- Any further analyst validation or shifts in the competitive landscape for agentic AI platforms.

SO WHAT — DO THIS NOW

Recommended actions

- Amplify Kore.ai's analyst leadership:** Continue to highlight our #1 and #2 placements in Gartner and Forrester's CX-specific conversational AI evaluations as a key differentiator against incumbents and big tech.
- Reinforce ABL's TCO advantage:** Emphasize Kore.ai's predictable, outcome-based pricing and ABL's compile-time validation to counter the cost unpredictability and potential for errors in competitors' LLM-centric approaches.
- Target voice-first gaps:** Position Kore.ai's true omnichannel capabilities against voice-only or voice-first solutions, highlighting seamless transitions and unified customer journeys.
- Arm Sales with pricing traps:** Equip sales teams to probe competitors on their AI consumption models and the potential for cost overruns, contrasting with Kore.ai's transparent and scalable pricing.
- Monitor partner ecosystem plays:** Track how competitors leverage partners (e.g., NICE with Route 101) and ensure our own partner strategy is robust and clearly communicated.
